BIRCH MANAGEMENT, INC. ACQUIRES BALDWIN PROPERTIES HIGH POINT OPERATION

Greensboro, NC- March 1, 2011: Birch Management, Inc. has acquired the High Point property management operations of Baldwin Properties effective January 1, 2011. Birch Management has assumed operation of the Baldwin office located at 1101 North Main Street and now has 2 Triad locations.

Lee Porter, CEO of Birch Management, stated "As a result of this acquisition Birch Management will be able to achieve greater economies of scale, increase our investor base, and expand our geographic reach within the Triad. We look forward to the additional services we will be able to provide our clients and are very excited about the acquisition of Baldwin Properties High Point operation."

The Birch Management High Point office can be reached by telephone at (336) 862-1470.

About Birch Management, Inc.: Birch Management, Inc. provides professional investment property management services in Greensboro, High Point, Winston Salem, Burlington, and throughout the Piedmont Triad in North Carolina.

Birch Management offers both residential and commercial property management services dedicated to maximizing the return on investment for our clients while maintaining quality housing opportunities for our residential customers and exemplary services for our commercial customers. Our residential division manages all residential rental properties including apartments, single family homes, condominiums, townhomes, and duplexes. Our commercial division manages office buildings, neighborhood shopping centers, and strip centers.
